

9th April 2021

Dear all

What a fantastic two weeks of outdoor tennis, the weather has been so kind, albeit a little cold at times with early morning squads at 7am enduring temperatures of -3.

A big thank you to all the players, parents, coaches and assistants that have supported the squads and made them work so well. There has been a great atmosphere on the courts every single day.

Thank you too, to all the members who have made use of the courts, our takeaway service, and respected the guidelines in place, it is really appreciated and adds to the togetherness and excitement of seeing the courts so busy again.

From Monday 12th April the following also applies but please see the link for a more detailed explanation:

Indoor courts are open for household use only (including 1:1 coaching for children & adults).

Indoor group coaching can take place for children.

Hospitality venues including pubs reopen outdoors only, subject to social contact restrictions (rule of 6)

FITNESS, the time has come – A BIG WELCOME BACK for Monday, we hope you enjoy returning to the gym, we are really looking forward to seeing you!!

Please access the gym via the front door (main entrance) and leave via the fire exit in the gym as before and follow the one-way system. As mentioned in a previous communication please continue to use the booking system until we have further information.

We welcomed our fitness team back to the club today and they have been preparing the gym for Monday. Jordan is recovering well and thankfully did not have Covid which is great, so spin will be back with Klaudia and Jordan next week on Monday, Wednesday, Thursday and Saturday. Booking is now available.

From a health & safety perspective all staff entering the building are temperature checked each morning and anyone with a high temperature is asked to take a lateral flow test in their car. This week we had a live example of this process and the test was negative. These protocols provide an extra level of safety and comfort for us all.

We have also registered for the workplace testing kits and we will be putting a testing programme in place for our staff and volunteers similar to that followed in schools from next week. This will enhance our effort to keep the club Covid secure and minimise transmission, especially in asymptomatic cases.

Remember the “WELCOME BACK” promotion which is running throughout April. We would like to provide one complimentary coffee/tea or cordial and a chocolate for every member of the club. Please claim yours when ordering. Please order and collect from the bifold door area behind court 6.

Where possible please order food and drinks before play and these will be ready for you when you have finished. Please see the facility timetable below and note the service times.
