

14th May 2021

Dear all

It's fantastic to see so many members at the club again and we are excited to be opening the clubhouse, the studio and the indoor courts, as well as welcoming back many of our studio users on Monday 17th.

Don't forget we have our welcome back promotion "50% off all hot & cold soft drinks" throughout May.

Here are the guidelines as we understand them, please spare a few minutes to familiarise yourselves:

- Every member/visitor over 16 years of age must check in with the NHS test and trace app, see the posters with the QR code or provide contact details at the main entrance.
- A reminder that face masks must be worn at all times in the clubhouse other than when seated to eat or drink.
- Six individuals or two households are permitted to sit together in the clubhouse.
- Please bear with us whilst we take your order and remain seated when eating and drinking.
- Please note only food & drink purchased at the club may be consumed inside the clubhouse and in the outdoor seating areas.
- Social distancing seems to be the consistent and key message and therefore please respect the 1m+ rule until the 21st June.
- The sauna will be available for use, please ask a member of staff to turn it on 30 mins before required so it can get up to temperature. It will then be cleaned after each use.
- The locker rooms will be open all day but where possible please arrive ready to play/train.
- We politely request you supervise your child whilst using the changing rooms if they are aged 8 or under.

In readiness for the studio opening please return any borrowed equipment this weekend, so that we may clean it and have it ready for members on Monday morning.

You will (hopefully) be delighted to know that we no longer need to use the one-way system, but kindly ask that you maintain good distancing when entering and leaving. Of course, if you wish to still use the one-way system then this is fine.

There are a couple of exceptions:

Please enter the studio via the main entrance door and leave via the fire exit.

For indoor court access please enter & exit via a fire door where possible.

Please note the clubhouse closing time and the timetable below. Please note that floodlights are programmed to currently come on at 8.30pm.

Drinks buckets can be ordered prior to the club closing for those of you wishing to have a drink after the club has closed.

Please consider others when passing and make space.

Have a great weekend - see you next week!

Nick & Angela
