## Thongsbridge Tennis and Fitness Gifts Policy

In the interests of openness and transparency, Thongsbridge Tennis and Fitness requires that all those working or involved in the governance of the club must declare all offers of gifts or hospitality over the value of £50 made to them in their role as an employee or Committee member.

Thongsbridge Tennis and Fitness operates a gifts register in which gifts worth over £50 must be recorded to ensure that they are not being used to gain undue influence.
